SUPERINTENDENT

EMERSON D. JARVIS, B.A., M.A., Ph.D.

Emerson D. Jarvis is now completing his third year as superintendent of Bexley Schools. He is a graduate of Franklin, Indiana, and Ohio State universities.

Dr. Jarvis made this statement about the theme of the *Bexleo:*

"The cutting edge of progress is sharpened and tempered by man's failures. One of the greatest lessons education can teach is the necessity for using failures to ensure successes. Progress is like the waves of the sea. There are inevitably the troughs and just as inevitably the crests. Hundreds of failing experiments result in the perfected chemical which will lengthen life or cure previously incurable disease. Edison's first lamp came after a heartbreaking series of trials which failed. Fire destroyed until man harnessed it to do his work. Atomic energy is appalling in its capacity to kill, but man will progress until he learns how to make it serve society instead of destroying it.

"Progress, then, is the result of man's skill in learning from his failures, his will to win in the struggle for progress, and his faith in our final capacity for revealing the plan which serves humanity best."

Russell E. Kessler has headed the complex activities of Bexley High School for over a score of years. He is a graduate of Franklin, Ohio Wesleyan, and Ohio State universities. He spends his spare time in hunting and fishing because of his love of the out-of-doors.

"The theme of the *Bexleo*," says Mr. Kessler, "suggests development with improvement through a series of steps or stages, each marking a definite change. The world is in a state of constant change and people must learn to live with this fact, deriving what security they can from it. The one thing which we know about the future is that it will be different from the past, and that the past will prove an inadequate guide for action if it is relied upon too much. Great progress will come only when human energy is released into creative effort rather than conflict."

English and Speech Department

Bexley High School may well be proud of its English and Speech Department. This department places great stress on the mechanics of correct written and spoken English.

Literature courses have been planned to give us the finest in writing from Chaucer to Joseph Conrad. By learning to appreciate good literature while we are still in high school, we have cultivated our taste for the best.

Journalism is open to juniors and seniors. This half-year course trains students in news-gathering, writing, and editing. Journalism is an excellent training school for gaining a position on the *Torch*.

The elective course of dramatics is offered to juniors and seniors. This course will prove worth-while to the student in later years, whether he is playing a simple game of charades or acting professionally. Dramatics gives us a better appreciation of fine acting and makes us better acquainted with the great actors of today.

To speak well is a great asset in life. Public speaking, offered as a half-year course, teaches one poise, assurance, and fluency in giving a speech.

Guidance

Through the present guidance plan, Miss Marion Thomas, Dean of Girls, and Mr. H. V. Tipton attempt to help students decide on what courses they want to take, to advise and help them in choosing a college, to aid them in their adaptions to school life, and many other problems which may arise.

The guidance plan is designed to aid students not only with educational problems, but also with the development of their character and personality.

Students have the opportunity to interview the advisers whenever a problem arises with which they desire advice, such as change of schedules, school work, and outside activities.

Miss Thomas and Mr. Tipton are acquainted with the capabilities and interests of the students.

Science Department

The aims of the science department are to help the student understand and interpret his environment, and to aid him to learn to think logically for himself. In order to accomplish these aims the department offers four subjects to high school students. Included among these subjects are general science, biology, chemistry, and physics.

General science concerns mainly the scientific principles of environment, and is offered to any student.

Another course that may be elected by any student is biology, which deals with the life, growth, and reproduction of plants and animals.

Chemistry may be taken by juniors and seniors. It is the study of the nature and composition of substances and the laws which govern their relations. Laboratory experiments constitute a large part of the course.

Physics concerns matter and energy and includes the study of such things as mechanics, heat, light, sound, and electricity. It is offered to seniors.

By means of these subjects, the student learns the fundamental principles of science and further develops his ability to think for himself.

Physical Education

The physical education department of our high school provides the student with a fine program of varied sports. These activities lead to the acquirement of skills, so necessary to deriving enjoyment from life.

Gym classes give the student a chance to participate in physical muscular activities. These activities are both beneficial and interesting to the individual. Although the program changes with the seasons, the student is always allowed a choice of several sports. Students are urged to go out for intramural sports.

Health education is given to the pupil in his freshman and junior year. This course proves most interesting and valuable. Every student is required to have a physical examination.

Foreign Language Department

In order to develop a practical use as well as a working knowledge of the basic languages, Latin, French, and Spanish are offered to the high school students.

The first year Latin students work mainly to learn the grammar and fundamentals which prepare them for their study of Caesar in their second year classes. The grammar, which has been continued throughout, helps the combined third and fourth year students with their readings of Cicero and of Virgil's *Aneid*, which are alternated each year.

The two-year French course is planned to give a common understanding of the language not only to those who will further their study of it in college, but also to those who will use it in personal contact. The goal strived for in these classes is written and oral expression. To extend the reading ability, many of the great French literary works are studied.

To become better acquained with our neighbors down south and to comprehend conversation, within the student's vocabulary, are the aims of the two-year Spanish course. The classes are made more interesting by outside reports from the students.

Commercial Arts Department

To meet the need of those students who do not wish to continue their formal education after graduation from the high school, the commercial arts department was organized.

Instruction is now given in bookkeeping, typing, economic geography, business training, shorthand and transcription, cabinet making, simple carpentry, drawing and planning, and metal working.

Any student may use the facilities of either the shops or the typing room at any time. Juniors and seniors may profit a great deal because they may elect a year of typing. Both sections of the department may be called on at any time to help with such projects as *Torch* typing and minor school repairs.

Social Studies

Five courses of social studies were offered this year to Bexley High students. These courses were American history, world history, American government, economics, and sociology.

World history and American history are offered as full year courses, and these subjects try to teach the students the most important events of history, the ability to recognize these events and their effects, and the ability to realize their connections with present day life.

American government, sociology, and economics, are offered as one-semester courses. The first, required of seniors, acquaints the student with the make up of his government and at the same time teaches him to be a good citizen. Sociology teaches the forms, institutions, and functions of our society, and a student of economics is taught the laws and conditions affecting the production, the distribution, and the consumption of wealth.

Mathematics Department

Through the efforts of the teachers in the mathematics department, the students of the high school are well versed in the science of numbers.

Those pupils who experienced some difficulty with eighth grade arithmetics are advised to take the course in basic mathematics. This course is designed to help them to pick up what they have missed and prepare them for their higher courses.

Algebra is basically a tool subject which attempts to aid the students in acquiring the skills needed in a future study of mathematics. A second year course is given for those who are to continue mathematics in college.

Two courses in the study of geometry are given. Plane geomerty deals with the appreciation and application of the principles of geometric forms in nature. For those students who are taking advanced high school mathematics, a course is given also in solid geometry.

Trigonometry, which is the study of the relationship of sides and angles of triangles, gives students further practice in logical thinking. This is also a good preparatory course for college mathematics.

Fine Arts Department

Leading the students of Bexley High School in the Fine Arts Department are C. R. Myers, choral director; Ted C. Tatgenhorst, instrumental director; and Ralph Trivella, art instructor.

Under the direction of Mr. Myers the choral gave a very successful Christmas concert. During the spring the choir presented the Gilbert and Sullivan operetta "Trial by Jury". This was the first operetta the school has had for several years.

Mr. Tatgenhorst directed the marching band, which performed at the football games. After the football season, the band was not idle, however; for it presented two concerts and ended the year by the annual Band Banquet.

This year the art department was fortunate in having Mr. Trivella, who had spent the preceding in Japan, back again as art instructor. The art department was responsible for the posters in the halls and the programs and backdrops we had at all the school functions.

Office and Library Staff

A staff of competent young women in the superintendent's and principal's offices take an important part in the day-by-day activities of the school's formal administration.

The duties of these young women are manifold. They handle the large volume of mail that flows through the office daily, they are in charge of tests and announcements which must be mimeographed for the faculty, they serve in a secretarial capacity for principal and superintendent, and they act as an information bureau for the countless questions that arise in the students' every day life.

Our school library, under the modern system of organization, furnishes both students and teachers with materials for a well-rounded literary background, an unlimited source of reference material, and a place for pleasure reading.

JUNIOR

For the past three years the class of 1951 has been playing an integral part in the affairs and activities around Bexley High School. The president of the junior class was Gordon Zacks, who was re-elected from his sophomore year; while the vice-president and secretary-treasurer were Jim Woods and Mary Bernlohr respectively.

Under their leadership, the junior class sponsored a very fine Junior-Senior Prom. The theme of the prom was "Heaven"; and although the work was no "heaven" for the juniors, the seniors enjoyed a night of "heaven" completely.

Back row: Nancy Esper, Ronnie Esterkin, Jackie Foreman, Tom Fulton, Jack Goldfarb, Louis Goldstein, Saralee Graham, Bob Grossman, Billie Groves, Ed Haering.
Second row: John Hammes, Keith Hanlon, Herb Harmon, Jane Harrah, Bob Hensel, Marcia Herr, Joyce Hingst, Darrell Hutchinson, Dick Hutchinson, Jack Immel, Hudson Issac.

Front row: Alvin Roberts, Norman Rohr, Sue Rowe, Jaunita Ruh, Nola Saunders, Bruce Sand, Elise Schacht, Clarence Schairbaum, Bob Scher, Carole Schottenstein.

The class spent most of the year earning money with which to finance the prom. They won the twenty-five dollar tax stamp prize and the prize for the best float during homecoming. Then by selling cokes, ice cream, and hot dogs at football and baseball games, they earned nearly four hundred dollars for the prom.

This class of 1951 has many competent leaders, good athletes, and worthwhile students who will certainly further our progress in the world of tomorrow.

SOPHOMORE

The class of '52 is undoubtedly one of the most promising groups ever to enter the hallowed halls of Bexley high school. Although unable to accomplish much as a class because of their status as underclassmen, they definitely have shown signs that theirs is a class to be watched.

During the latter part of September, the class chose, by election, Dan Collins to be their president. Tom Hofheimer was elected vice-president and Shirle Clark was chosen secretary-treas-

urer. These three, during their two short years in high school, have proven themselves to be leaders in every sense of the word.

In the field of athletics, this class promises to be somewhat of a standout. Several of the boys received their second swimming award this year. As the spring sports take the spotlight, several boys are in line for tennis, track, and baseball awards in addition to the sophomore letter winners.

FRESHMAN

The upper classmen have already learned that the freshmen year is truly an important one. Freshmen contend with many new experiences which are both entertaining and educational. They also form friendships which will last throughout the coming years.

A freshman at Bexley High School will long remember the thrill of the first pep rally, the excitement of homecoming, the 8:29 dash to home room, and the fun of assembly programs. Stanley Skilken's, "May I have your attention, please", the walk up and down three flights of stairs

twenty-five times a day, club meetings every day after school and the struggles of first semester exams are just a few of the experiences that freshmen will look back upon with fond memories.

The class of '53 got off to a fine start by electing Earl Metz, president; Andy Wallace, vice-president; and Peggy Clark, secretary-treasurer. The future of a school depends upon its freshmen. From this group will grow our leaders of tomorrow!

G.A.C.

Under the guidance of Miss Margaret Love, the girls' physical education director, the Girls' Athletic Club has advanced more than ever. It has held its title of the school's largest club for three years.

To organize tournaments and create interest in various sports, girls were appointed to head the following sports: basketball, hockey, valleyball, tennis, archery, bowling, golf, swimming, table-tennis, riding, baseball, and badminton.

The GAC banquet was held May 23, and the girls received awards for outstanding performance in different sports. Now officers were installed by the out-going president in an impressive candlelight ceremony.

Y-Teens

Under the guidance of Miss Trola McCurdy, Y-Teen advisor; Martha Lou Clodfelter, president; Peggy Riggs, vice-president; Jane Harrah, secretary; and Bunny Hunt, treasurer, the Y-Teens of 1950 have tried "to build a fellowship of girls".

At the beginning of the year, a "South Pacific" rushing party was held to invite new members, and everyone came dressed as some character from "South Pacific". Puppets for the poor children were made by the members at the first meeting. During Christmas, the club took care of two families, giving each of the sixteen children at least five presents and both families plenty of food for their Christmas dinners. Twenty of the members took part in Links, which is a city-wide Y-Teen project that gives the girls a chance to work in hospitals, settlement houses, nurseries, and old folks' homes. The club sponsored a style show, with Y-Teen members modeling clothes from the Union Company.

The committee on Devotions took charge of the annual Easter watch services and assembly. The watch services this year were conducted over the school's loudspeaker system. In April, the annual Mothers' Tea was held. Then the traditional Farewell Banquet for the seniors closed the 1950 Y-Teen Year.

French Club

The French Club played an interesting part in the lives of French students. Included in this year's activities were a French movie, "Symphonie Pastorale," at the World Theatre, a program of music by a French composer, and a talk given by a French student from Ohio State.

Officers for the year were Barbara Krakoff, president; Jane Hoel, vice-president; Carolyn Smith, secretary; Jane Auch, treasurer; and Peggy Riggs, social chairman. Ralph M. Howell was faculty advisor.

Spanish Clubs

Spanish clubs are organized for all those who study Spanish and are conducted through the classes. Under the supervision of Miss Selma Hamann these groups hold their meetings every month. The programs for these meetings include movies, slides, records, and reports on Spain and Spanish customs.

Every Christmas the clubs combine their funds to send money to the St. Vincent's Orphanage.

Those pictured below were officers of the clubs.

Hi-Y

Under the leadership of President Ted Cook, the Hi-Y Club enjoyed a successful year.

During the fall the officers of the club participated in the training school at Camp Willson for the purpose of understanding Hi-Y work better and planning the year's program.

The annual Hi-Y work day brought in seventy-five dollars for the National Hi-Y Fund for the rehabilitation of Hi-Y clubs in Europe.

Other club officers included Bill Elder, vice-president; Keith Krebs, treasurer; Tom Blackstone, secretary; and Don Kielmeyer, chaplain. John Schacht acted as faculty sponsor.

Science Club

The Science Club is subdivided into the Biology, Chemistry, and Physics committees, on any of which groups its members may serve. Through the many and varied programs which have been presented by these committees, the club has served to stimulate a wide interest in science.

Chartered by the Science Clubs of America, this club receives helpful literature concerning recent scientific progress.

Officers for the year were Judah Folkman, president; Colborn Addison, vice-president; Allen Rowe, secretary; and Dick Wolfe, treasurer. The advisor was Ross B. Kefauver.

Latin Club

Students with two or more years of Latin are eligible for membership in the Latin Club. Under the guidance of Mrs. Amy Brightman and its officers—Emily Schacht, president; Gloria Weintraub, vice-president; Bunny Hunt, secretary; Mary Keys, treasurer; and Sybil Rex, program chairman—the club has presented many enlightening subjects, book reports, slides, and familiar songs with Latin words.

The project of the year, which was to send "Care" packages overseas, was successfully completed after the club members saved enough Swan wrappers to make this possible.

Art Club

The Art Club is an organization for all students in Bexley who are interested in art in any form. Its purpose is to better the artistic and social lives of the members.

At the end of each year the Club sponsors an Open House for students, their parents, and friends. Each member who is a senior completes a display of all his work, and then is judged on the basis of talent, ability, and service to the school and community. The winner is presented with the Art Award Key, and his name is engraved on the cup.

Dramatics Club

Bexley's Dramatics Club is run by five committees—program, art, social, play casting, and publicity.

Featured in this year's programs were two quiz shows and scenes from several plays. The Christmas meeting presenting "Scrooge" and a later program with "All on a Summer's Day" were especially notable programs.

Officers for the year 1949-50 were Jane Wheeler, president; Sue Beck, vice-president; Ann Mawhinney, secretary; and Connie Webber, treasurer. In the absence of Miss Mullins, Miss Doris Young served as faculty sponsor.

Future Teachers

To promote the teaching profession is the aim of the Future Teachers of America. The Bexley chapter was founded last year. Any senior planning to teach is eligible to join the club. In May juniors interested in teaching were invited.

Activities engaged in included visiting other schools and taking over classes when teachers were absent. The Bexley group has participated in several city-wide meetings.

Officers this year were Jane Hoel, president; Mary Lou Lippert, vice-president; and Carolyn Smith, secretary-treasurer. Miss Marion Thomas is the adviser.

Back row: Krieckhaus, Smith, Hoel, Lippert, Jacobson, Plotkin. *Front row:* Groby, DeLong, Babbitt, Block. *Absent:* Welch, Lormor, Peiros.

Book Club

After being inactive since 1946, the Book Club has been reorganized under the supervision of Miss Lula Gallogly.

The purpose of the club is to stimulate interest in new books and to discuss and review them. Members of the club do most of the reviewing, but at the March meeting Mrs. Ross Kefauver was the guest speaker and reported on three novels.

Officers were Emily Parsons, president; Dick Shields, vice-president; Virginia Varley, secretary; Keith Krebs, treasurer; and Carolyn Smith, program chairman.

Music Club

One of the newer groups at Bexley is the Music Club. This organization started during the second semester for the purpose of encouraging interests, competition, and spirit in musical activities. Several variety shows were presented. Membership is by invitation only.

Under the leadership of Shirley Plotkin as president, LeRoy Schottenstein as vice-president, Connie Webber as secretary, Perry Schwartz as treasurer, Peggy Riggs as program chairman, and Frank Svatek as head usher the club has made a successful beginning. Advisers are C. Robert Myers and Ted C. Tatgenhorst.

Instrumental Music

The orchestral music department, under the direction of Ted Tatgenhorst, is composed of three sections—the orchestra, the marching band, and the concert band.

Supplemented by students from Capital University and Ohio State University, the orchestra has taken part in several activities, including the operetta "Trial by Jury", which was presented by the choral music department on May 2 and 3.

During the football season the marching band took part in half-time activities at all but one of the Bexley games. Homecoming was highlighted by such formations as "Queen Lou" and the familiar block "B". Art Turney, Saralee Graham, Peggy Clark, Beverly Spohn, Nancy Esper and Marilyn Anthony served as drum major and majorettes.

The concert band began its activities immediately following the close of the football season. The Annual Patrons' Concert was held on April 21, in the high school auditorium. A combination of classical, semi-classical, and popular music, including selections such as "Trauersinfonic" by Wagner, "Interlude" by Morrissey, "Cabins" by Gilletts, and "Dry Bones" was played. On May 31 an outdoor spring concert was held at the Jeffrey Mansion. The band played selections from "South Paciffic", "The Symphonic March", "Four Horsemen", and "Dry Bones". A picnic was also held at the Jeffrey Mansion on May 16.

The Band Parents Club under the leadership of Mrs. Glickman, president, presented a minstrel show in the high school auditorium on January 17. The proceeds were used to purchase letters and awards which were presented at the annual band banquet, April 26, at the Columbus Country Club.

Chester L. Fair of the Ohio State University music department spoke at the banquet. He was introduced by Louis DeWitt, Sr., who served as toastmaster. Mr. Tatgenhorst, who has completed his fourth and last year at Bexley High School, was presented with a movie camera. Mr. Tatgenhorst has accepted a position at Mansfield High School, Mansfield, Ohio.

A newly organized addition to orchestral music department is the Dixieland Band, consisting

Choral Music

The Bexley High School Choir is composed of sixty-five members, mostly juniors and seniors, who meet five times a week to study all types of good music.

Membership in this organization is strictly on a selective basis, and each member is required to have been previously in a Glee Club for one semester.

Under the capable direction of C. Robert Myers, the choir prepared two formal concerts—the annual Christmas concert, which was held December 9, and the Spring concert, held on May 4 and 5. As part of the Spring concert, the choir presented "Trial By Jury," by Gilbert and Sullivan. This was the first light opera presented in Bexley High School for five years. Those who sang the leading parts were: Martha Lou Clodfelter, and Shirley Plotkin, sharing the part of Angelina, the bride; Dick Wolfe and Jim Campbell, sharing the part of the defendant; Pat Aylwin, the

usher; Marshall Glickman, the counsel for the plaintiff; Perry Schwartz, the judge; and Bill Elder, the foreman of the jury.

The Choir sang in several of the school assemblies, the Easter Chapel, and Thanksgiving Chapel. They also sang at the Central District Meeting of the P. T. A., which was held in December. A joint concert with the band was presented in May.

Accompanist this year was Marjorie Rackham.

The Boys' Glee Club is composed of twenty members and the Girls' Glee Club has forty-five members.

Each organization meets three times a week, and once a week they combine as a chorus.

Both Glee Clubs are composed mostly of freshmen and sophomores, and are preparatory groups for the Choir.

Torch

With the feeling of a good job well done, the 1950 *Torch* staff brings to a close another successful year.

Under the guidance of Mrs. Ruth Wones, literary advisor, and Ralph M. Howell, business advisor, the staff has brought to you, the students, reviews and previews of all events taking place in the school.

We will always remember—our mad dashes down Mound Street—"make-up" luncheons—headlines that wouldn't count—traditional fight for girls' sports—the many witticisms we never dared to print—deadlines—the wonderful feeling every time an issue came out. Now it is time to sign our final thirty and to commend our editor for her untiring efforts to make our *Torch* the best ever.

The staff includes Jane Auch, editor; Keith Krebs, associate editor; Gloria Weintraub, news editor; Janice Krieckhaus, associate news editor; Barbara DeNucci, literary editor; Jane Wheeler and Sue Beck, associate literary editors; Marc Gertner, sports editor; Emily Schacht, girls' sports editor; Nancy Ruhl, art editor; Jean Ann Lipani, exchange editor; Sally Liggett, advertising manager; Marjorie Blashek, Joyce Lormor, and Bob Pierce, associate advertising managers; Diane Neighbors, business manager; Stanley Skilken, Larry Feitlinger, and Dave Folkman, photographers; John Barrett, Daurine Block, Jane Hoel, Diane Neighbors, and Emily Parsons, contributing editors.

We bid a reluctant farewell to Mrs. Wones, the depths of whose wisdom, friendship, and understanding will never be forgotten by those who have worked with her.

Bexleo

With the world looking forward to better things at the turn of the half-century, the *Bexleo* staff of 1950 has tried to present to its readers the finest *Bexleo* ever edited.

The theme of the book, Progress, is a constant reminder of our purposes, our aims, and our ultimate goals in life. Progress is not only the theme of our *Bexleo* but also the foundation of a better world. As our forefathers sought improvements so do we, the class of 1950, strive ever onward, ever upward.

Cheerfulness and cooperation among the staff members made the work both pleasant and enjoyable. This year especially the *Bexleo* was edited by many capable hands. The chief positions on the staff were held by Marc Gertner, editor; Barbara Krakoff, associate editor; Jane Hoel, literary editor; Nancy Ruhl and Jane Auch, art editors; Keith Krebs, boys' sports editor; Sue Beck, girls' sports editor; Jack Jeffrey, business manager; and Colborn Addison, advertising manager. Assistant editors were Jane Wheeler, Sue Shinbach, Judah Folkman, Sally Liggett, Gerry Olson, Martha Lou Clodfelter, Betty Anne Miller, and Marjorie Blashek. Once again we were fortunate to have Ralph M. Howell as our advisor.

The staff will always remember how through their efforts their book was put together. The taking of pictures, soliciting for advertising and patrons, making frequent trips to the engravers, mounting pictures, and writing copy all went into the successful production of your book.

Members of the staff hope that you as students will enjoy your *Bexleo* as much as the staff has enjoyed bringing it to you. We also hope that through this book you will always remember the many good times you had at Bexley High School in 1950. With this thought in mind we sign our final thirty.

Honor Society

Character, scholarship, leadership, and service are the criteria on which membership in the National Honor Society is based.

No honor conferred by Bexley High School excels that of membership in the National Honor Society, for the Society recognizes those pupils who have most nearly attained the fundamental goals set up by public high schools. This year, twelve seniors and six juniors were initiated into the society by the seven seniors who were chosen last year.

Quill and Scroll

For outstanding work on the publications, fifteen members of this year's *Torch* and *Bexleo* staffs have been initiated into Quill and Scroll, the international honorary society for high school journalists.

To be eligible for membership, the candidates must be in upper third of their class; must have done superior work in writing, editing, or business management; must be of junior or senior standing; and must be recommended by the publications' advisers.

Court and Council

Under the leadership of Bill Creager the Council sponsored Homecoming, launched clean-up campaigns, engaged speakers for vocational guidance programs, purchased a Christmas tree, and collected food for Christmas baskets. It also established the newly formed Student Court which, working with the faculty, helps individual students adjust themselves to the regulations and society of the school. Mr. Tipton is the adviser.

Senior Play

Under the direction of Miss Doris Young, the play "Our Hearts Were Young and Gay" was presented May 18 and 19. This delightful comedy, based on the prize-winning novel by Cornelia Otis Skinner and Emily Kimbough, concerns two young girls who travel by boat to France. The title roles of Cornelia and Emily were played by Gloria Weintraub and Jane Wheeler.

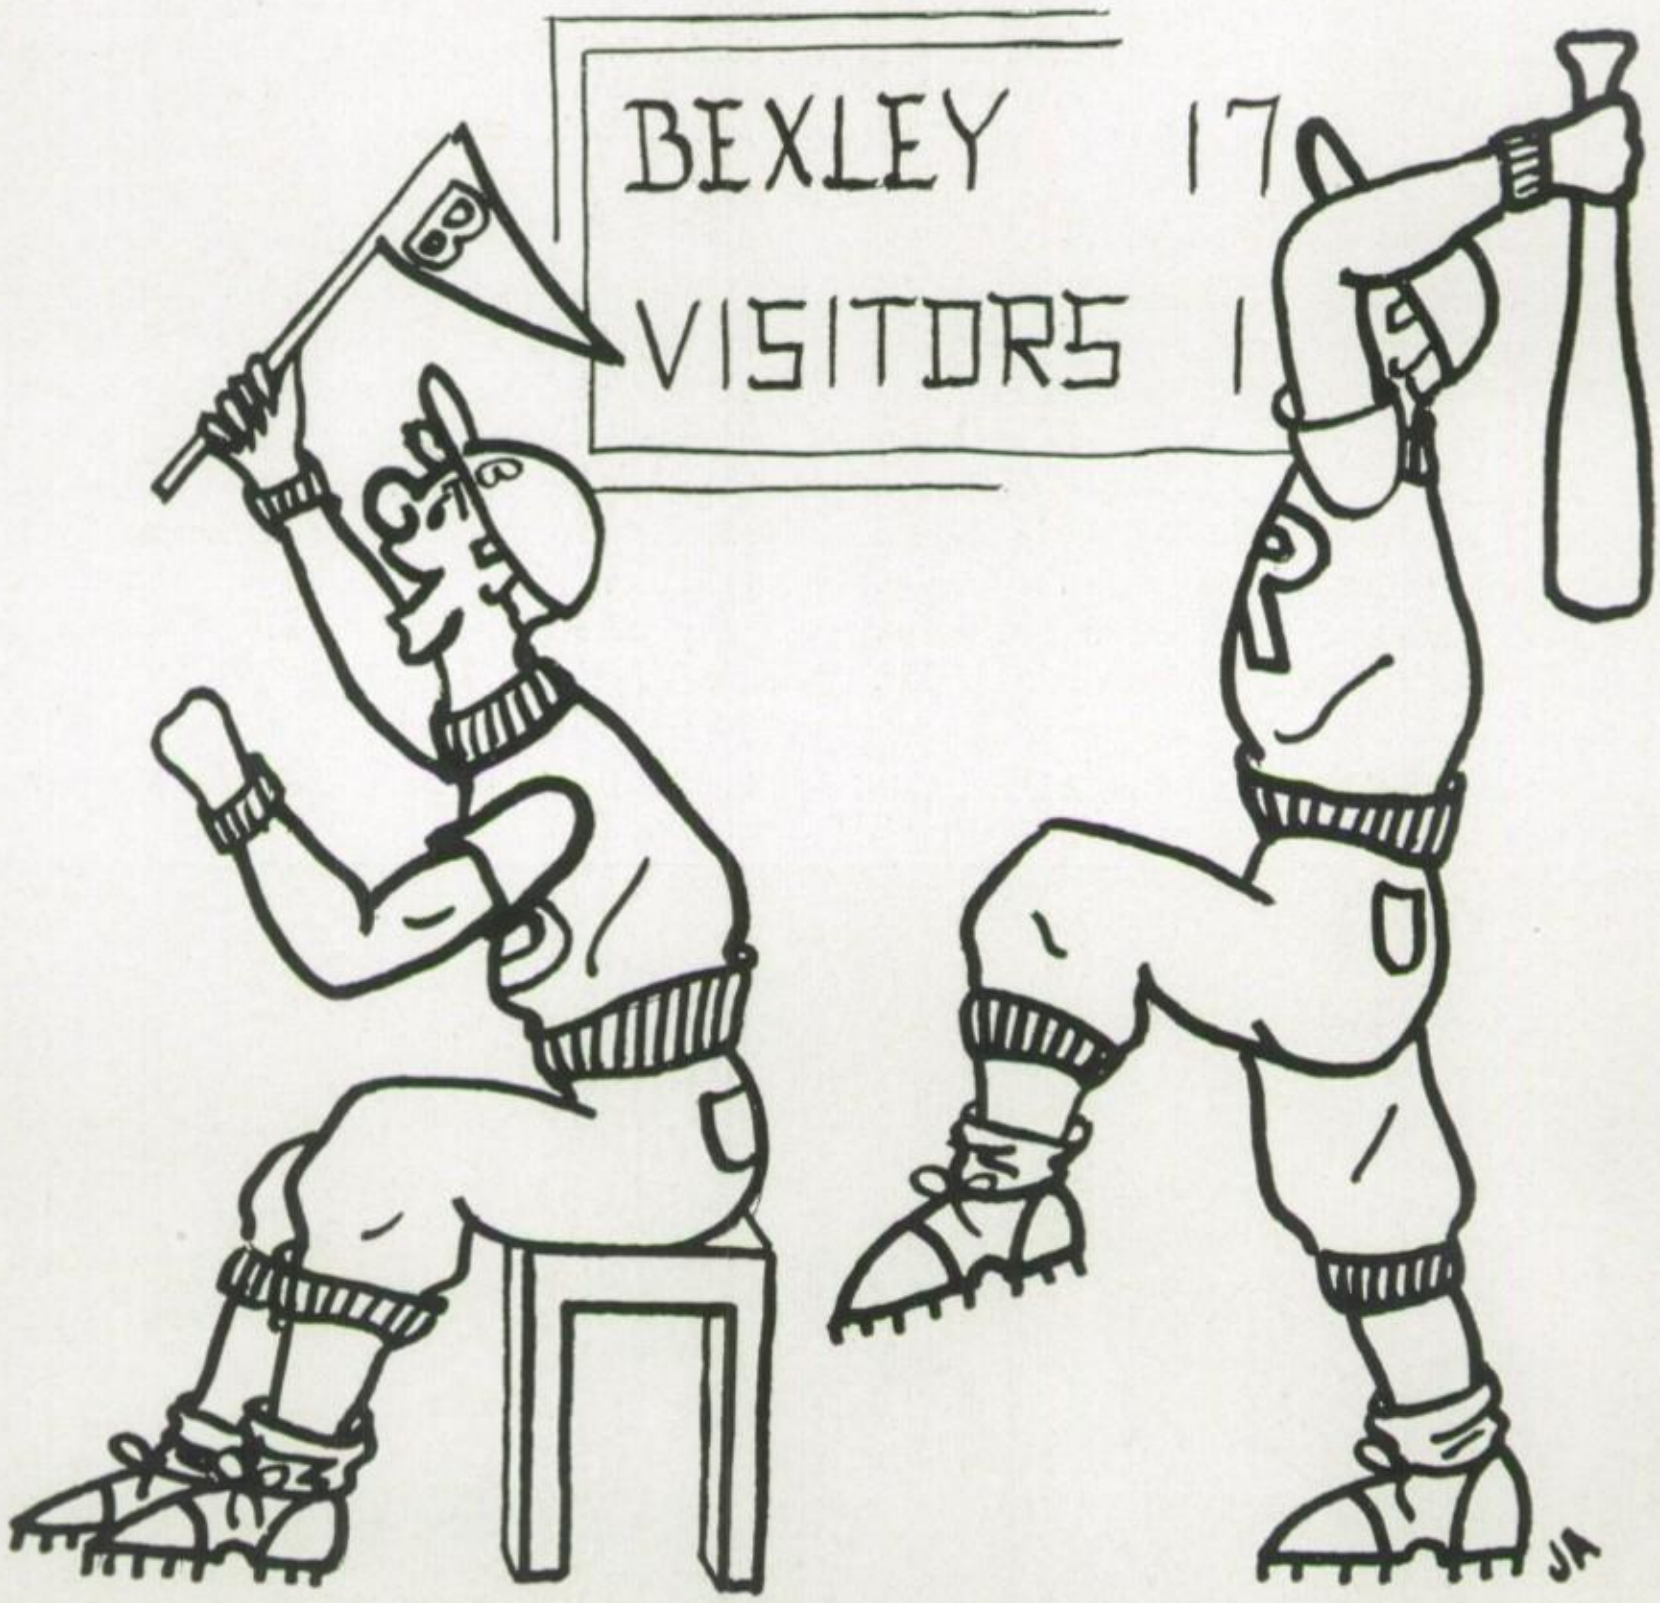
Sports

Progress demands fair play
and good sportsmanship



Review of Sports

BY CARLTON H. SMITH

None of our sports teams this year have been bad, but that elusive championship has again escaped them all but the swimming team. The golf and track teams may yet do the trick, but as of now it is only a wish.

The football team was excellent and good enough to win the CBL a great many years, but this year it could only take third after losing to Grandview and Arlington. The team did win seven of its nine clashes, including league wins over Mt. Vernon and Delaware. In non-league competition the Lion gridders downed St. Charles, Greenfield, Urbana, Linden McKinley, and Defiance.

Our basketball team started slowly and lost many early season games, but then began to improve and at the end of the season was as good as any in the league including the champion. Conclusive proof of the improvement of the team was shown in the final game of the season when we defeated Grandview for their only setback in league play. The league record was nine games won and three lost—good enough for a runner-up position. Here again it was a case of one outstanding team in the league depriving us of the championship that this team might easily have won in other years. In the District tourney the team downed Marion Harding and Arlington before falling before a more powerful North five.

The swimming team won the city championship for the first time in school history. They first won their league and then defeated Grandview, the winner of the other league, for the City title. In addition several of the swimmers made an excellent showing in the District and State meets. With most of the squad members lower classmen, the prospects for more championships by this squad are bright.

The baseball team, with many sophomores in the lineup and few veterans back, has made a bad start and will probably finish with only an average record. Again it must be said that when these sophomores gain the needed experience and confidence, the baseball team will once again regain the championship trophy.

The track team has some outstanding performers, but does not seem to have enough balance to be a consistent winner in dual meets. These standout performers will add many points in the Lions' quest of the CBL track laurels, but at best the track team must be put in the dark horse class.

The tennis team will be a better than average one but will probably be lacking the necessary depth to give it a CBL title. The golf team is made up of veterans and will probably win the CBL championship and finish high in the City league.

The reserve teams this year were unusually strong. The football team lost only a few games and the basketball team finished in a four-way tie for the championship. Maybe this means that our championship drought will come to an end in 1950-51.

Our teams this year as a whole have been far above average and none have been bad. The morale and spirit of the boys on the teams have been the best for the last half dozen years. If this continues, we predict many championships in the immediate years ahead because championships are made from this intangible characteristic. Many seniors are boys who have contributed to this morale and have given high quality performances and we are proud of them. We congratulate them and wish them luck and success in college.

Football

The Bexley Lions finished the 1949 grid season with a record of 7 wins and 2 losses. Although such a record is an enviable one, the two defeats were suffered during league competition dropping the Lions to runner-up spot in CBL play.

The Lions opened the 1949 season by thrashing a spirited but outmanned St. Charles eleven 28 to 6. The Saints scored first taking the opening kickoff and moving to paydirt without halt. The Lions fought back with the same medicine taking the return kickoff and marching to the four yard line from where Tom Montague danced across. Jerry Smeck kicked the first of three extra points to put Bexley in the lead. Early in the second period Jim Pohlman scored on a pass from Keith Krebs, and before the half ended Dick Hutchinson scored again. After a slow third quarter, the Lions again hit paydirt when Krebs passed 35 yards to Montague in the end zone.

In their second outing Bexley traveled to Greenfield where they swamped an outclassed McClain eleven 33-0. After a slow and scoreless first period, Montague broke the ice by scampering 19 yards to score. Keith Krebs hit Jim Pohlman from the forty with an aerial for the second score. In the same period Krebs again passed for a score this time to Montague from 30 yards out. Jerry Smeck scored in the third quarter on a 34 yard jaunt, and in the final quarter he outmaneuvered the Greenfield secondary, scoring from forty-two yards out.

Bexley's victory over Mt. Vernon proved to be the Lions best played game of the year as they played inspired ball from the opening whistle. A Krebs to Montague pass early in the game put the ball on the 12 yard line and two plays later Bob Barrett tallied from the three. Smeck made good the first of three conversions. In the same period Montague intercepted a Yellowjacket pass and scampered 65 yards to paydirt. The Lions final tally came in the third quarter when Scott Inboden plowed over from the one.

The Lions suffered their first loss of the year being humbled by Grandview's Bobcats, 33-6 on the victors field. After a weird first half, the Lions battled the Bobcats on even terms. Buening scored the first Grandview touchdown in the first quarter from 60 yards out. Before the gun sounded ending the first half, Shell and Butler had scored on 55 and 22 yard jaunts respectively. Bexley's lone score came in the final period when Krebs passed 35 yards to Montague in the end zone. Grandview scored their final TD on a pass to Butler across the double stripe.

Bexley's Lions showed little respect for Delaware's homecoming crowd as they handed the Panthers a 34 to 6 defeat. Scoring in the first three periods, Bob Barrett and Jerry Smeck ac-

counted for all of Bexley's tallies with long broken-field runs. Barrett drove for three TD's while Smeck carried for two and made four of five conversions. Delaware's score came in the final canto when the Panthers recovered a fumble on Bexley's three and two plays later Miller skirted end for the tally.

All of Bexley's hopes for a CBL football title vanished as the Golden Bears of Arlington handed the Lions a 27 to 6 setback. Scoring in the first three periods, Arlington was never pressed. Goodsell, Green, and Maloney did the scoring for the victors. Bob Barrett thrilled the homecoming crowd on the last play of the game when he intercepted a pass on his goal line and scooted 100 yards for the score aided by Inboden's bone crushing block at midfield.

Bexley regained its winning ways by downing an outmanned Linden McKinley eleven. Bob Barrett raced 35 yards early in the first period for Bexley's first score. He scored again when he took a lateral from Keith Krebs and scampered 65 yards. With Tom Montague tallying twice on short runs, the Lions led 27-7 at half time. A Krebs to Pohlman pass was good for 33 yards and a TD and Scott Inboden circled his right end for 15 yards and another score moments later. Montague ended the scoring by going 45 yards late in the final quarter.

On the annual Dad's Night, the Lions put the skids under Washington C. H., 35 to 12. Barrett scooted for 80 yards to open the scoring for the evening. The visitors tied it up when Aleshire scored from the 23. Only three plays later Kramer scored from the eight. In the second quarter Keith Krebs lateraled to Jim Pohlman on the four and Jim went over standing up. After the intermission Krebs broke loose through center and raced 47 yards for the score. In the same period Burke scored Washington's final TD from the three. Scott Inboden ended the scoring by going over from the four.

The Bexley Lions brought their 1949 football season to a successful finish as they downed a stubborn Defiance team 19-14 on the losers field. The Lions scored first when they marched the full length of the field with Inboden going over for the score. After Defiance had tied the game up with a Behring to Smith pass, the Lions marched to another score with Inboden again going over. The Lions scored the winning touchdown when Krebs broke through the center of the line and sprinted the remaining 28 yards for the score. The Bulldogs capped the scoring late in the fourth period.

Dana Swinehart's reserve squad compiled a season record of 5 wins against 2 defeats. Many of this years reserves are destined to see action with the varsity next season.

Reserves, back row: Knolls, Koltun, Johnson, Mueller, Boyd, Gibson, Swisher, Coach Swinehart. *Front row:* Hirsch, Purdy, Solomon, Leeman, Wahoff, Stone, Bernlohr.

Basketball

Led by Captain Jim Pohlman the Bexley cagers compiled a season record of 12 wins and 8 losses. Although the Lions got off to a slow start early in the season, they reversed themselves as the season drew to a close and ended up on the winning side of the ledger. The team proved to everyone that they were able to beat the best when they downed Grandview in the season closer. Bexley was the only team in greater Columbus to beat the CBL champs except East, who did the trick in the district tournament finals.

In tournament play the Lions dumped a powerful Marion team in a thrilling contest 44-42. Marion had rolled over the Bexley squad by a 25 point margin in the season opener. The team edged a stubborn Arlington quintet 26-25 in their second district battle, but they were dumped by a smooth North combination in the quarter finals.

The reserves won a share of the CBL reserve title, compiling a seasons mark of 13-7.

Track

Under the tutelage of Coach "Lefty" Swinehart the Bexley thinclads' season prospects look bright.

Losing only five men from last year's team, the tracksters will have a crew of veterans on hand during the season.

Last year's squad was not a record breaking one and finished the season with a mediocre record. Captain Dick Landrum did, however, reach the State meet, but was eliminated during the early trial runs.

This year the Lions are especially strong in short distance dashes and in the weight throwing department. Tom Montague, Scott Inboden, and a newcomer in the person of John Harlor have shown exceptional speed in the early season. These three are holding down positions in the 100- and 220-yard dashes. Charley Tinkham has already broken the four year old school shot put record during early season competition and undoubtedly will do likewise with the discus record as the season grows older.

In league competition it looks as if the championship will be taken by either Bexley or Arlington. To date other CBL teams have shown little ability on the cinders.

Other Lion trackmen holding key duties are as follows: Tom Krieger, running both the high and low hurdles; Captain Jerry Smeck, the 440-yard dash; Buck Quecke and Dick Hutchinson, the team pole vaulters; Phil Hampton, high jump; and Dick Barnett, Brooke Gibson, Dave Tippett, and Jim Shockey, running in the long distance events.

Back row: Shipe, Turner, Aylwin, Fulton, Miller, Hofheimer, Leeman, Hess, Purdy, Coach Gene Mechling.
Front row: Bernlohr, Legg, Krebs, Noethlich, Barrett, Tall, Lowum, Bernlohr.

Baseball

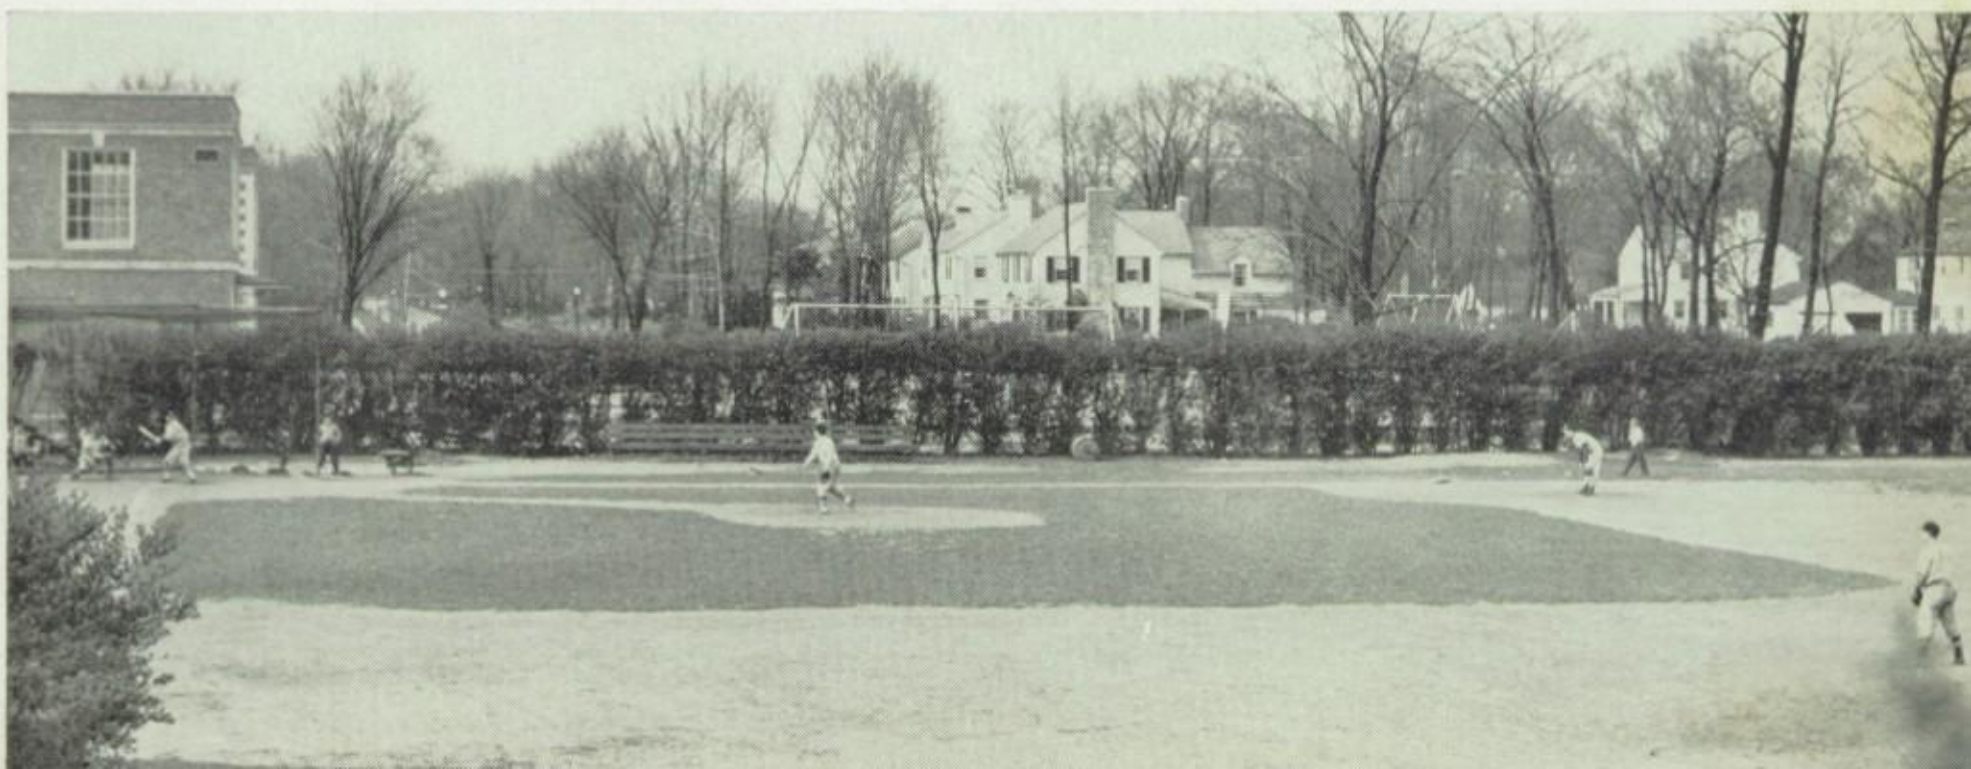
With last year's championship trophy resting in the Bexley school the CBL teams are aiming at the Lions as the team to beat during the 1950 baseball season.

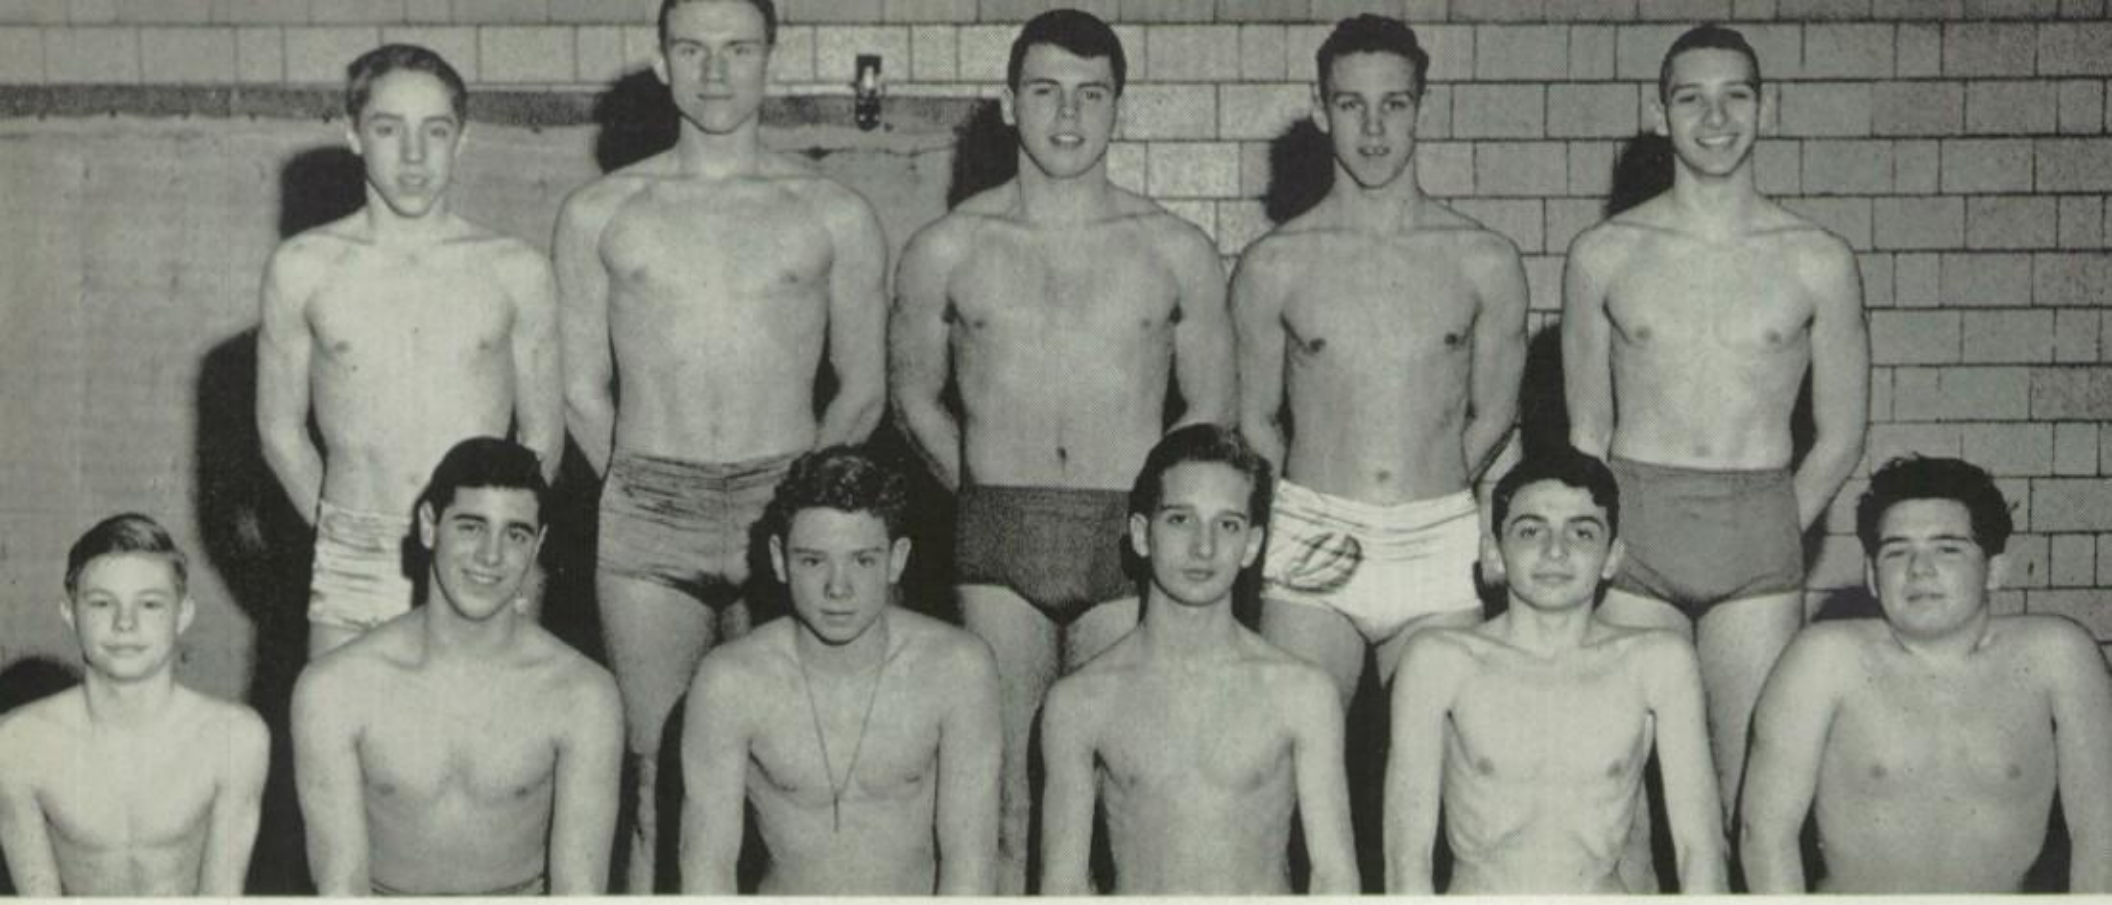
Behind the masterful pitching of southpaw Ralph Harkless the 1949 squad captured the CBL crown with a league record of 8 wins and no losses and finished second behind Linden in the mythical greater Columbus league with 14 victories against two defeats. The two setbacks were suffered at the hands of North 5 to 4 in district tournament play and by St. Charles 2 to 1 in the season final.

With seven seniors graduating from last year's championship team the outlook on the 1950 season is only mediocre. Four willing but unseasoned sophomores have been drafted to fill the vacancies left by last year's graduating seniors.

Returning from last year's diamond nine are Bob Bernlohr, who has been moved from second base to the short-stop post; Keith Krebs, last year's third sacker, who will handle the catching chores during the 1950 season; Bob Tall and Dave Lowum, who will patrol the outfield; and Captain Bob Barrett, who will head the pitching staff. Other members of the starting nine are as follows: Jack Bernlohr, first base; Bill Purdy, second base; Bill Legg, third base; and either Jerry Noetlich or Dave Hess covering the other outfield post.

Ray Hartker, a senior at Ohio State, will coach the reserve squad. Ray has pitched professional baseball since he was 16 years old, and will continue this summer after his graduation from Ohio State.





Back row: Pierce, Creager, Inboden, Shields, Sand. *Front row:* Hamer, Russell, Wallace, Merkin Feitlinger, Ross.

Swimming

Bexley's sea Lions won the City Swimming Championship by defeating Academy, Aquinas, St. Charles, South, and West in their South District and then defeating North District's champion, Grandview, 38 to 37. In the district meet, the Lions took sixth place, scoring points in the fifty and hundred freestyle and in diving.

Golf

Coach Smith's linksmen are dark horses to cop the CBL title this year. The "A" squad is composed of three returning lettermen—Haft, Bowman, and Hayes—plus Jeffrey, a newcomer to the squad. The remainder of the team is composed of Wahoff, Hutchinson, Schairbaum, Keys, Maurer, Rosenbloom, Dawson, Cooke, and Wood.

Cooke, Hayes, Haft, Bowman, Jeffrey, Wood, Dawson.

Back row: Bowman, Smith, Feitlinger, DeWitt, Owens, Harlor, Bowers, Pritchard, Pohlman. *Second row:* Creager, Montague, Kramer, Schwartz, Tippett, Price, Souder, Shields, Hanlon, Inboden. *Front row:* Smeck, Hayes, Harlor, Gertner, Krebs, Krieger, Williard, Addison, Jeffrey, Haft, Tinkham.

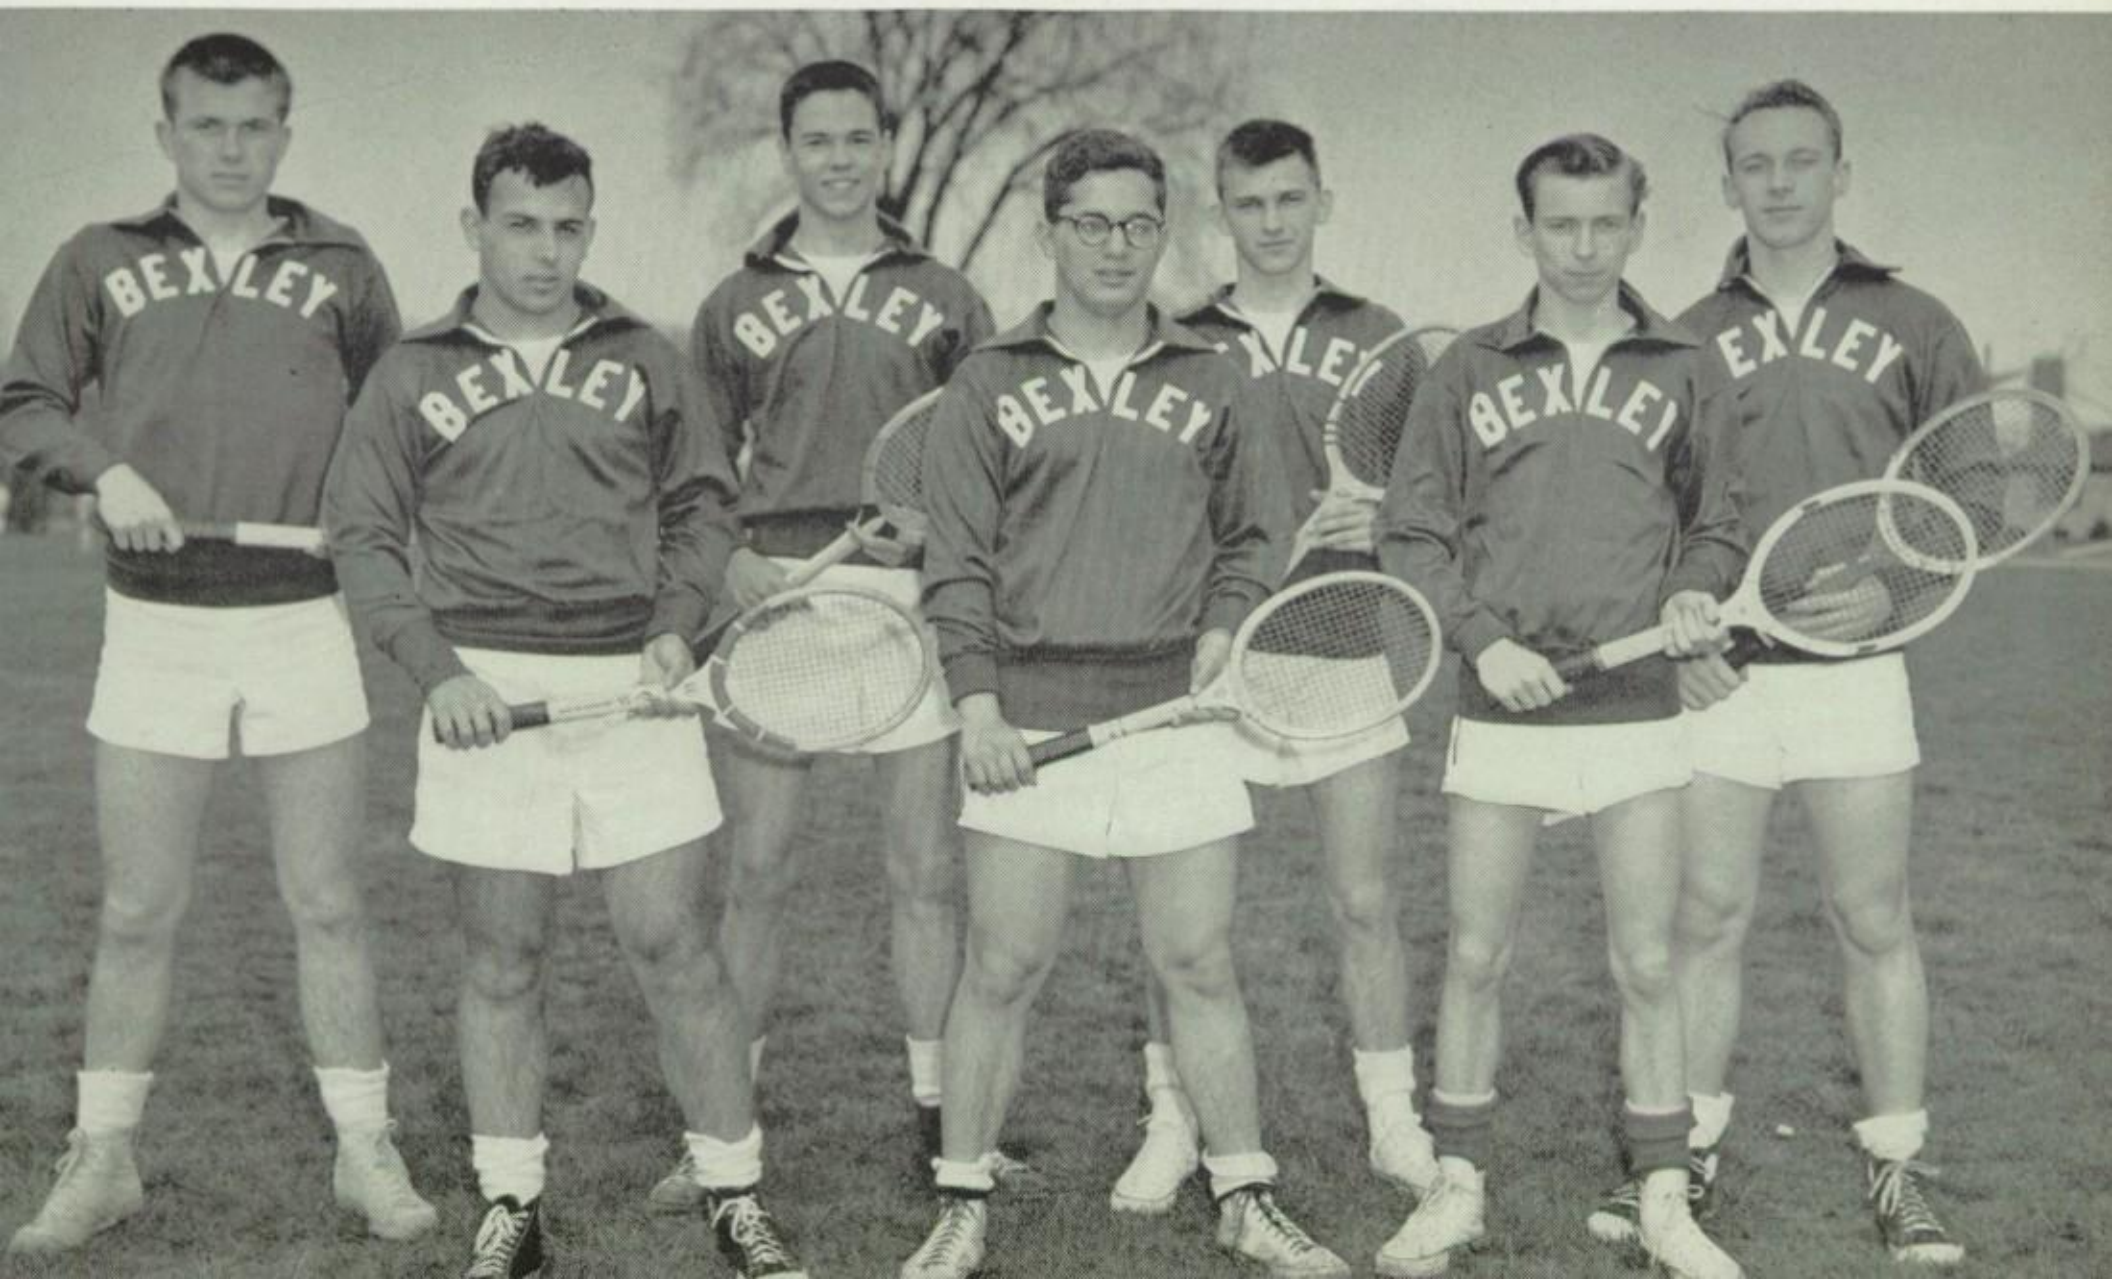
Varsity B

In its third year of service the Varsity B sponsored "Meet the Team Night" in the stadium. The receipts of $125 enabled the club more effectively to encourage school spirit and sportsmanship. Club officers were Keith Krebs, president; Marc Gertner, vice-president; Bill Creager, secretary; and Jim Pohlman, treasurer.

Tennis

Co-favorites with Academy and Arlington to take the CBL title, Coach Duffey's racquet men will play ten league matches and will compete in the district tournament at New Concord. The squad consists of Pohlman, first singles; Hanlon, second singles; Captain Gertner, third singles; Price and Harlor, first doubles; and Hirsch and Souder, second doubles.

Pohlman, Hirsch, Harlor, Gertner (Captain), Hanlon, Souder, Price.



Back row: Clark, Jones, Varley, Miller, Amorine, S. English, E. English, Petty, Short, Mawhinney, Wheeler, Stone, Hisey. *Second row:* Sutton, Powers, Graham, Collins, Jarvis, Hoehn, Schacht, Dickinson, Neighbors, Metzger, Harrah, Pope, Glaize, Auch, Cotter, Chapline, Click. *First row:* Bukey, Babbitt, DeNucci, Olson, Lippert, Groby, Keys, Schacht, Beck, Yochum, Bernlohr, Weintraub, Hoel.

Hockey

Under the captaincy of Emily Schacht the hockey team enjoyed victories over Arlington, Worthington, C. S. G., and University, while losing only to Grandview. On Class Hockey Night, won by the seniors, Gloria Weintraub was elected Sports Queen. A sleepy team of 3:00 A. M. risers lost to Cleveland Laurel in the fall junket.

The first team consisted of Lormor, Lippert, Schacht, Beck, DeNucci, Weintraub, Yochum, Keys, Babbitt, Bernlohr, and Groby.

Tennis

Five players from last year's team—Emily Schacht (again captain this year), Joyce Lormor, Mary Bernlohr, Nancy Winters, and Connie Basch—will give strength to Miss Love's tennis hopefuls.

Matches and return matches will be played with University, Worthington, Grandview, and Arlington to make up the eight contests which may be scheduled in any given season.

Back row: Lippert, Liggett, Chapline, Levy, English, Short, Glaize, Harrah, Groby. *Front row:* Bash, Olson, Wheeler, Winters, Schacht, Bernlohr, Krieckhaus.
